If the software is bundled with another product, you may return the entire unused product for a full refund.

## **COPYRIGHTS AND TRADEMARKS:**

GstarCAD is developed by Gstarsoft Co.,Ltd., protected by the copyright law and international treaties as described in the license agreement. The source code of the GstarCAD program is copyrighted by Gstarsoft Co.,Ltd..

## **1. GRANT OF LICENSE**

### **1.1 License Grant**

Gstarsoft grants you the non-exclusive, non-sub licensable, limited license to Use one license of the Software Product on a single computer, subject to the terms and conditions of this License Agreement. The "Use" means installing, loading, running or displaying the software. You are unable to modify the software or disable any licensing or the control features.

### **1.2 Stand-alone Version**

You may Install and Access a copy of the Software on an individual Computer, which may not be connected to a network in a manner that allows more than one user to Access, upload, operate, view or otherwise create or use a copy of the Software. You may not Install or Access the Software on another computer at a time.

### **1.3 Network Version**

You may Install, Access and use a copy of the Software on a storage device, such as a network server, for Using the Software Product on Your computers only over an internal network. The Software may be Installed on or Accessed by other Computers, or on an individual Computer, as a multiple-user installation, so long as the maximum number of concurrent users does not to exceed the Permitted Number. You shall inform all users of the Software Product of the terms and conditions of this License Agreement.

### **1.4 Evaluation Version**

If the Software is identified as demonstration, evaluation, trial, or not for resale version ("Evaluation Version"), You may not use it for competitive analysis, or commercial, professional, or for-profit purposes. The Evaluation Version may only be Installed for a thirty (30) day evaluation period.

### **1.5 License Code**

If this Software requires a license code, you must register your purchase of this Software with Gstarsoft before a license code shall be issued to you.

### **1.6 Copies**

You may only make one copy or adaptation of the software for archival purposes. You can not copy the software onto any bulletin board or similar systems.

### **1.7 License Fees**

The license fees paid by you are paid in consideration of the licenses granted under this License Agreement.

Unless specified otherwise, you have paid only for one hard disk drive's value. If you have purchased it or are using an authorized backup copy, we, as the publisher and the developer, do hereby license you to use this software on one hard disk drive at a time. Unless you have purchased an additional license, you may not install it or any portion of it on a network server's drive system.

If your hard disk drive is not bootable, you must purchase another software so that you can perform the data recovery of the original hard disk drive.

To avoid from purchasing another software, we strongly recommend you to have another separate hard disk drive ready with windows and GStarCAD installed all the time, so that you can use it as a master drive for recovering data of the original targeted drive. You may not perform the data recovery services for other hard disk drives without the license. Furthermore, you may not perform the commercial data recovery services without paying for its license.

## **2. SUPPORT SERVICES AND TRANSFER**

Gstarsoft may provide you with customer and technical support services related to the Software("Support Services"). The Gstarsoft policies and programs of the Support Services are described in the user manual, on electronic documentation, and/or in other Gstarsoft-provided materials. Any supplemental software code provided to you as part of the Support Services shall be considered as part of the Software Product and subject to the terms of this License Agreement. With respect to any technical information you provide to Gstarsoft as part of the Support Services, Gstarsoft may use such information for its business purposes, including product support and development. You may not distribute, rent, loan, lease, sell, sublicense, or otherwise transfer all or any portion of the

Software or User Documentation, or any rights granted in this Agreement, to any other person.

### **3. UPGRADES**

If the Software is identified as an "upgrade", you should be properly licensed to use a product identified by Gstarsoft as being eligible for the upgrade in order to use the Software Product. A Software Product identified as an upgrade replaces or supplements (and may disable) the product that formed the basis for your eligibility for the upgrade. If the Software Product is an upgrade from a component of a package of software programs which You licensed as a single product, the Software Product may be used and transferred only as part of that single product package and may not be separated for using on more than one computer.

### **4. DISASSEMBLY OR DECRYPTION**

You may not disassemble, reverse-engineer or decompiled the Software. You may not decrypt the Software unless decryption is a necessary part of the operation of the Software.
